Our Room

TradeWinds has many different types of rooms so our room may not look the same as it does in the pictures we see. Our room may or may not have a view of the beach. Our room will have 1 or 2 beds, a bathroom and maybe a sitting area.

In our room we can:

- ___ Watch TV shows or movies
- ___ Use the wireless internet
- ___ Play with toys or video games
- ___ Read books
- ___ Make coffee or toast
- ___ Put food in the mini-fridge
- ___ Cook food in the microwave
- ___ Sleep

If we have any questions during our stay we can ask one of TradeWinds' friendly employees. I can tell someone is an employee by looking for their name badge.

If I need some quiet time we can sit in the courtyard where there is little noise and few people.
